SIR:

The undersigned, Gene Wolf and Gathen Garcia herein declare as follows:

1. We are all employees of Public Service Company of New Mexico and are inventors of the above-identified patent application.
2. Attached hereto is an executed license agreement between Public Service Company of New Mexico and General Electric (Energy), for the use/sale of a software product (which we call 3D-DASL), which is covered by the claims in the above identified patent application. We demonstrated 3D-DASL for Ex. Garcia-Otero during our personal interview on March 31, 2004
3. The success and design of our 3D-DASL product flows directly from the functions and advantages disclosed or inherent in the specification description.
4. We declare further that all statements made herein of our own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so

SOFTWARE LICENSE AND SUPPORT SERVICES AGREEMENT

This Software License and Services Agreement ("Agreement") is made as of April 15, 2004 ("Effective Date") by and between Public Service Company of New Mexico, a New Mexico corporation having a principal place of business at Alvarado Square MS 0600, Albuquerque, New Mexico 87158 ("PNM"), and GE Energy - doing business as NRPS Global Projects, a New York corporation having an office at 6360 I-55 North, Suite 360, Jackson, Mississippi 39211 ("Licensee").

1. License. PNM grants Licensee a nonexclusive, nontransferable license to use and execute the PNM's 3D-DASL utility station design software ("Software") for Licensee's internal business operations for the number of seats set out on the Software Schedule attached hereto as Schedule 1. Licensee may install and operate the Software on only one (1) desktop personal computer at any time. Licensee shall have the right to make one (1) copy of the Software for backup purposes. Licensee shall not use the Software for the operation of a service bureau or for providing time-sharing or third party training services. Other than as expressly set forth in this Section 1, nothing contained in this Agreement shall be construed as granting or conferring on Licensee any rights, by license or otherwise, express or implied, for copyrights, copyrightable subject matter, trade secrets, confidential technical information, ideas and other proprietary information regarding the Software, or any patentable idea, discovery, or improvement, made, conceived or acquired by PNM prior to, during, or after the date of this Agreement.
2. License Fees. Licensee shall pay PNM the total license fees set forth on the Software Schedule, attached hereto as Schedule 1, upon execution of this Agreement, subject to the payment terms in Section 3 herein.
3. Payment Terms. Licensee shall pay PNM all fees in U.S. dollars according to the following terms:

If Licensee pays PNM's invoice within eighteen (18) days of the invoice date, Licensee shall be entitled to reduce its payment by a discount of two and one-half percent (2.5%) of the total invoice amount. However, if Licensee fails to pay PNM's invoice within eighteen (18) days of the invoice date, then Licensee shall be required to pay the total invoice amount and the invoice shall be paid by the nineteenth (90th) day following the invoice date.

All payment obligations are non-cancelable, nonrefundable, and non-contingent. Excluding taxes based on PNM's income, Licensee is liable for all taxes and excise fees relating to the Software and/or any services rendered by PNM hereunder, whether or not PNM invoices Licensee for such taxes and excise fees. PNM reserves the right to withhold performance of any obligations, whether arising under this Agreement or otherwise, and/or to change its credit terms, in the event of Licensee's nonpayment when due of any amounts owed to PNM.

4. Ownership. The Software contains valuable proprietary information. PNM retains title, copyright, patent, trade secret and all other intellectual rights in the Software and all modifications, corrections, and alterations made to the Software by PNM, Licensee, or otherwise, and all copies thereof. Licensee does not acquire any rights, express or implied, in the Software, except as specified herein. No license, right, or interest in any

PNM trademark, trade name, or service mark is granted pursuant to this Agreement. Licensee is prohibited from removing or altering any of the intellectual property rights notice(s) embedded in or that PNM otherwise provides with the Software. Licensee must reproduce the unaltered intellectual property rights notice(s) in any full or partial copies of the Software that Licensee makes.

5. Restrictions on Use of Software. Licensee is prohibited from causing or permitting the reverse engineering, disassembly, or decompilation of the Software, including all trade secrets and confidential information therein. Licensee may not sublicense, relicense, distribute, sell, lease, assign, or otherwise transfer the Software, grant a security interest in or otherwise encumber the Software, copy, duplicate or reproduce the Software except as otherwise expressly permitted in this Agreement, or store the Software (including any tangible manifestations thereof) except in a secure place. Licensee will not allow the Software to be used by, or disclose all or any part of the Software to, any person except employees of Licensee who require such access in order to use the Software in accordance with this Agreement. Licensee shall not allow the Software, in whole or in part, to be exported outside of the United States of America, in any manner or by any means, without the prior written consent of PNM and compliance with U.S. export laws.
6. Confidentiality. Licensee acknowledges that the Software contains valuable trade secrets and confidential information owned by PNM, including but not limited to the development status of the Software, the functionality of the Software, the appearance, content and flow of the presentation of information through the Software's user interface, the method and pattern of user interaction with the Software, and the content of any documentation. Licensee agrees that Licensee and its employees shall not, directly or indirectly, disclose, divulge or otherwise make available the Software, including all trade secrets and confidential information therein, to any third party. Licensee shall take all reasonable precautions to prevent inadvertent disclosure of the Software, including all trade secrets and confidential information therein. Licensee specifically acknowledges and agrees that it shall not permit any employee to have access to the Software or to any trade secrets and confidential information therein until the employee has been informed of the confidentiality and nondisclosure obligations of this Section 6 and has agreed in writing to be bound by those obligations.
7. No Obligation to Support. Except as otherwise expressly agreed by the parties pursuant to Section 8 herein, PNM shall have no obligation under this Agreement to correct any bugs, defects, or errors in the Software or to otherwise support or maintain the Software.
8. Support Services. PNM will provide technical support to Licensee via telephone at the hourly rate set out on the Software Schedule attached hereto as Schedule 1. Technical support may consist of correction of bugs, defects, or errors in the Software, or customization of the Software as requested by Licensee and as agreed upon by PNM.
9. Training. For the first year following the Effective Date of this Agreement, PNM will provide training to Licensee (a) at Licensee's location at a rate of \$3,000 per day plus actual travel and living expenses, or (b) at PNM's facilities in Albuquerque, New Mexico at a rate of \$3,000 per day. One day of training shall consist of up to eight (8) hours of training. During the first year following the Effective Date of this Agreement, PNM will waive the \$3,000 per day charge for one (1) training session (not to exceed two days of training) conducted either at Licensee's location or at PNM's facilities.

10. No Warranties; Disclaimer. FNM and Licensee agree that the Software is provided "AS IS" and that FNM makes no warranty as to the Software. FNM EXPRESSLY DISCLAIMS ALL WARRANTIES, EXPRESS OR IMPLIED, INCLUDING WITHOUT LIMITATION THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE. FNM DOES NOT WARRANT THAT THE FUNCTIONS CONTAINED IN THE SOFTWARE WILL MEET LICENSEE'S REQUIREMENTS, OR THAT THE OPERATION OF THE SOFTWARE WILL BE UNINTERRUPTED OR ERROR-FREE, OR THAT DEFECTS IN THE SOFTWARE WILL BE CORRECTED. FURTHERMORE, FNM DOES NOT WARRANT OR MAKE ANY REPRESENTATIONS REGARDING THE USE OR THE RESULTS OF THE USE OF THE SOFTWARE OR RELATED DOCUMENTATION IN TERMS OF THEIR CORRECTNESS, ACCURACY, RELIABILITY, OR OTHERWISE. NO ORAL OR WRITTEN INFORMATION OR ADVICE GIVEN BY FNM OR A FNM AUTHORIZED REPRESENTATIVE SHALL CREATE A WARRANTY OR REPRESENTATION.
11. Limitation of Liability. UNDER NO CIRCUMSTANCES (REGARDLESS OF THE FORM OF ACTION, WHETHER IN CONTRACT, WARRANTY, INDEMNITY, STRICT LIABILITY, OR TORT, INCLUDING NEGLIGENCE) SHALL FNM BE LIABLE FOR ANY CONSEQUENTIAL, INCIDENTAL, INDIRECT, SPECIAL, OR PUNITIVE DAMAGES, OR FOR THE LOSS OF PROFIT, REVENUE OR DATA, OR DAMAGE TO COMPUTERS, OR DAMAGE TO OR LOSS OR INABILITY TO USE ANY OTHER SOFTWARE, THAT RESULT FROM THE USE OR INABILITY TO USE THE SOFTWARE OR RELATED DOCUMENTATION, EVEN IF FNM OR A FNM AUTHORIZED REPRESENTATIVE HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES IN ADVANCE OR SUCH DAMAGES COULD HAVE BEEN REASONABLY FORESEEN BY FNM. FNM'S LIABILITY FOR DAMAGES TO LICENSEE UNDER THIS AGREEMENT (REGARDLESS OF THE FORM OF ACTION, WHETHER IN CONTRACT, WARRANTY, INDEMNITY, STRICT LIABILITY, OR TORT, INCLUDING NEGLIGENCE) SHALL IN NO EVENT EXCEED THE LICENSE FEES PAID TO FNM BY LICENSEE FOR THE SOFTWARE.
12. Data Protection. Licensee agrees that it shall have the sole responsibility for protecting its data used in connection with the Software.
13. Intellectual Property Infringement Indemnification. FNM shall defend, at its expense, any claim, lawsuit, or related action brought against Licensee alleging that the Software infringes a United States patent, copyright, or trade secret, and shall pay all costs and damages finally awarded, provided that FNM is given prompt written notice of such claim, any information in the possession of Licensee related to such claim, reasonable assistance by Licensee, and sole authority to settle or defend such claim. In the defense or settlement of the claim, FNM may, at its option, obtain for Licensee the right to continue using the Software, replace or modify the Software so that it becomes noninfringing while giving substantially equal performance or, if such remedies are not reasonably available, remove the Software and accept its return and refund the license fees less a reasonable rental value for the period of use. FNM shall not have any liability or obligations under this Section 13 if the alleged infringement is based upon (a) the use of the Software in combination with any other computer programs not licensed by FNM to Licensee, (b) the use of the Software outside the scope authorized by this Agreement, (c) an unauthorized modification or alteration of the Software, or (d) the use of the
